

Drape Sets Auxillary Products

About

Composet is producer of surgical disposable products since 2008 in Izmir/Turkey. We are solution partner of surgical drape sets producers with our non – sterile plastics and PE products.

Our aim is to become one and only supplier and our intend is to create long term business relationship with our customers whose specialty is medical drape set production.

We are operating our business with our quality certificate ISO 13485:2016.

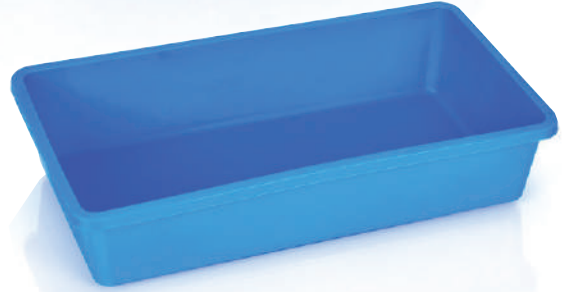

Our standart production color is blue and transparent for all our products. Yet we can produce any colour upon request.
